Association's*

25th

Anniversary Celebration

April 6, 2002

Clarion Hotel and Conference Center

(www.clarion-shep.com)

Shepherdstown, WV

Many details are still being worked out, but the event will cost approximately \$50 per couple. The evening will begin around 6:30 PM with a cash bar that will remain open throughout the night. Dinner will be served shortly thereafter, and will consist of a buffet including salad, rolls, an array of vegetables, and three entrées from which to choose. Iced tea, coffee and desert are also included with the meal. After-dinner activities may include brief words from one or more alumni presenters speaking on the history and success of the Phi Iota Alumni Association in its first 25 years, followed by music and dancing on the main ballroom floor. A continuous slide show depicting a vast collection of photos from the past 25 years will also be displayed for the duration of the evening.

A program commemorating the celebration, including a complete list of alumni and active members of Phi Iota, will be distributed on the evening of the event. To pay for the cost of the program, advertisements of various sizes and costs to be displayed inside the program are being sold. Look for information on the sale of advertisements for yours and other businesses in upcoming mailers, the Alumni Association web site, and the Phi Iota Yahoo Groups web page.

For out-of-town guests, rooms at the Clarion will be available for about \$84 (plus tax) per night as opposed to the regular rate of over \$100 per night. When making reservations, simply refer to the Lambda Chi Alpha event in the main ballroom to receive the discounted room rate.

Formal invitations will be forthcoming and will include more detailed information on this fast approaching event. The celebration promises to be a great success and an unforgettable experience!
